Sunday 14<sup>th</sup> May**

## DIARY OF A LUNE VALLEY VICAR by Mark Cannon

Time for a referendum

**Sunday:** Here I am in a church on a normal Sunday morning – with a congregation of 12. It costs £40 per week to heat and another £40 to insure. The cost of vicars/nuns etc. is roughly £110. There is always a chance that sooner or later a bit of the roof will drop off or a hole will open up in the floor. You might spend an average of £60 per week on repairs and maintenance. Grass in the churchyard needs to be cut, so we can add a few bob for that as well. Add on a fiver for candles, wafers, wine and a supply of lemon drizzle for t'Vicar and, well, you do the 'math'. £12,000 per church is what we need. There is a bit of income, we have a good few weddings this year and, fortunately for the bride and groom, the fees are capped, so we do not have an opportunity to bump it up a bit. And, anyway, it is only the pretty churches which benefit.

The miracle is that small groups of volunteers in each village do so much to keep them going and, anyway, the Church has its answer ... a meeting.

**Monday:** it must be church council night. This one attracts more people than actually come to church on Sundays and we discuss, amongst other things, lights, embroidery, headstones, charities, new Bishops, catering and loos. The discussions about loos in church are brought to a close and I cannot be the only council member who stifles a snorting laugh when the Chair says 'Everyone admired my little stool.'\* This is what happens when a meeting goes into the third hour.

**Thursday:** Another meeting and another discussion about finances. This one has chocolate biscuits but, as we are in the first week of Lent, only two members dive in and stuff their faces. The rest of us tut silently and feel an extra boost of virtue. As soon as we do this, we realise that we are suffering from pride so have received no benefit from abstaining; should have eaten them in the first place. This meeting comes up with a somewhat surprising idea for keeping us solvent (like the meeting which toyed with freelance Vicars along the 'Uber' model of business). This time it was proposed that we look at closing one or two of our six churches ... that will make the next few meetings very interesting; suggestions on a postcard please.

\* embroidery-related agenda item

## NEWS FROM OUR CHURCHES

### St Peter's, Leck

At the time of writing it is a little difficult to be enthusiastic about spring as it is a damp and what I call a 'November Day' however as the snowdrops fade for another year we have lots of daffodils and crocus to cheer us and also more daylight. I am sure by Eastertide we will be having more sunshine as we celebrate it late this year.

A few of us from Leck attended the very enjoyable and informative Women's World Day of Prayer service at Tunstall on March 3<sup>rd</sup>. We were especially proud of the pupils of Leck CE School who introduced us to the theme of the service – 'Am I Being Unfair to You?' prepared by women from the Philippines – with some lovely readings and beautiful singing. They were 'word perfect' as ever, so many thanks to them and their teachers; it was a real pleasure to have them join this annual service.

Still with St Peter's School, their Easter Service will be in Church on Tuesday 4<sup>th</sup> April at 6.30pm. I am sure this will be a joyous occasion so please come along and share it with them.

On Saturday 1<sup>st</sup> April (and, no, this isn't a joke!) we are having a coffee morning in Church from 10.30am until noon. This is a 'first' for us, so please could as many folks as possible come along, bring your children and help support our fundraising efforts. We know it is Lent but that won't deter the supply of yummy cakes and biscuits! There will also be the obligatory raffle. All donations are for much needed Church funds. We are keen to contribute towards the provision of a Children's/Youth Worker for the Benefice and hope to raise some funds and awareness of the project on the day.

We have a Wedding on Saturday 8<sup>th</sup> April between Richard Burrow and Beth Moore. We offer them our prayers for a long and happy marriage, an enjoyable day and we hope they are blessed with sunshine too.

The Easter Day Service is at Leck this year so we look forward to as many people as possible joining us at 11am on this very special day in the Church's year.

A Happy and Peaceful Easter to all.

**Ann Shuttleworth/Joan Withers**

### **St James the Less, Tatham**

February is not the favourite month of many people, cheered perhaps by the first snowdrops, but now it has gone and we have daffodils, lambs and shorter nights to cheer us up.

February did provide two happy occasions with large attendances, one for the wedding of Alexandra Bromley and one for the visit of The Levens Choir who gave us a delightful Sunday afternoon of church music followed by tea and cake thanks to The Friends.

The Church was full again on 3<sup>rd</sup> March for the funeral of Elizabeth (Liz) Quine.

This was a testimony to the affection and respect with which she was held by all who knew her. She did much unseen work on behalf of St James' Church, The Friends and the Benefice. Her untimely death after a long, brave fight is especially sad. Her last journey in a horse-drawn hearse was so very appropriate.

We look forward to our involvement at Wray Fair, including catering on Sunday 23<sup>rd</sup> April; help at both is always welcome.

Hopefully, by the time you read this you will be able to enjoy a special 'cuppa' from the new brew point.

To end on a different note, we are using a modern version of the Communion Service on the fourth Sunday at 11am for an experimental period; comments please.

**John Holt**

### **St Wilfrid's, Melling**

There is nothing to report from the Parish Registers this time. We do have a Christening that is imminent but I will save the excitement of reporting on that until after the event. In the meantime, please see my article on page 8. This appeared in the last Melling Chronicle with some impact and it was suggested that I should submit it for The Bell.

**JAC Beeson**

### **Good Shepherd Church, Tatham Fells**

Our 'Messy Church with Christingle' service was held on Sunday 5<sup>th</sup> February at 11am. Eight children and their families attended, enjoying quality time crafting and quiet time with prayers and singing the Christingle song. This was followed by delicious bacon butties organised by Gillian Middleton.

I bring some very sad news in my report. The funeral of our friend Kate McDonald took place on Thursday 2<sup>nd</sup> March. The Church and The Old School were full to overflowing with friends and family who came to pay their respects. Kate was a much loved member of our community and she will be greatly missed by all who knew her. We send our deepest condolences to Roger and family.

The Lent Lunch at Fourstones House on Thursday 9<sup>th</sup> March was very well attended. Donations were for The Salvation Army. At the time of going to press two more Lent lunches are scheduled in our part of the Benefice and we are looking forward to our Mothering Sunday Service with the children and families from Tatham Fells School

**Carole Butcher**

### **Holy Trinity, Wray**

March has been a busy month for us at Holy Trinity including a coffee morning to raise money to help the homeless shelter on Edward Street, Lancaster. This is a charity now supported by the Benefice. Our first baptism of the year was held in March. Luke Ryan Anderson (grandson of Ann and Alf) aged nine months flew over with his parents from their home in Slovakia to be baptised in our church. This was held during our service with the congregation to support.

This year our Messy Church and our Mothering Sunday service will be held together at the end of March, with cakes afterwards instead of our usual bacon butties.

Looking at our calendar for April we are going to be busy again. We have our usual afternoon congregation led Evening Prayer Service on the 2<sup>nd</sup> at 2.30pm. We will also be holding one of the Lent Lunches in church on 6<sup>th</sup> April from 12 noon to 1.30pm. Everyone is welcome to join us for soup, cheese and excellent company.

On the 14<sup>th</sup> April, Good Friday, Mary will be holding her Children's Workshop in Wray Institute from 10.00am to 1.15pm. All young people are ensured a very good time. On the 20<sup>th</sup> we will be holding our Annual General Meeting in church at 3.30pm. All church members are welcome and we hope that many will be able to attend.

Then it will be Scarecrow Week! Our refreshment day in the Institute is on Friday 28<sup>th</sup> when it will be 'all hands on deck' for us all. On Sunday 30<sup>th</sup> April at the end of Scarecrow Week will be our Songs of Praise service at 2.30pm. This is always beautifully organised by Mary and we encourage visitors who are walking around the scarecrows to join us. Members of the congregation are invited to choose favourite hymns and say why these appeal.

**Ann Anderson/Judith Wrigley**

### **St John the Baptist, Tunstall**

It is with great sadness that we have to report three funerals in the last few weeks. Stanley Beaumont, John Lawrence Gillibrand and Joe Towers, all of whom have been involved in our community and will be missed by family and friends.

We have also had two congregation led services, one planned and one unplanned. These involved many of our congregation; a special thank you goes to Revd Peter Woodman who was playing the piano and stepped in to celebrate communion.

On 3<sup>rd</sup> March it was the Women's World Day of Prayer which welcomed all the Churches in the Benefice. We had a good turn out with a bright welcome of exotic flowers and colours thanks to Jean Dalkin. The service was introduced by the children from Leck School who told us about the Philippines and sang the introductory song, which was repeated throughout the service. Our thanks go to Mrs Wheatley, Mrs Makinson and Years 5 and 6 for making this such a lovely service. Our thanks also go to Peter Entwistle for playing the music on the piano which lent itself to the mood of the service. After the service we had a wonderful afternoon tea provided by the good ladies of Tunstall, for which a big thank you. Our Lent Lunch was held on Friday 10<sup>th</sup> March and we raised £65 to go towards the organ fund, so thank you to all who supported this.

In April and May we look forward to two weddings, both brides in our Parish, Olivia Gillibrand and Alexa Banks Lyon; we hope for sunshine.

**Sue Hunter**

**CALENDAR OF SERVICES FOR APRIL AND MAY 2017

## SMART METERS, RATS AND CHURCH FUNDS by JAC Beeson

How smart exactly *is* a smart meter? I found myself asking this question after a second visit by the 'gas man' to St Wilfrid's last month. On his first visit, before Christmas, our old gas meter was removed and a new 'smart' one put in its place. Unfortunately it turned that the new meter did not work so the original one had to be put back into place and a second attempt would be needed at some point in the future. The same gas man came again in January to fit a new smart meter. Except when he arrived he explained that it was not a 'smart' meter but a standard meter which could be attached to a smart box. So now our old standard meter has been replaced by a new standard meter and a smart box and there remains the prospect of another visit to replace both with a new smart meter.

I worry about the waste of time and effort for a marginal saving that this sort of thing achieves.

It also worries me that we have ongoing problems with rats in the churchyard. Despite cutting back the vegetation to deny what can only be described as rat runs, we find that although there is no source of food within the church or churchyard, every year we need to call out the Pest Control people from Lancaster City Council. This now seems to happen so often that we have each other's mobile phone numbers. I am assured that there must be a source of food nearby otherwise we wouldn't have the problem. Each 'treatment' has to be paid for and consequently we are appealing for those near the church to ensure that sources of food are secured against the robbing rodents.

Along with inclement weather and tax returns, January brings another unwelcome event in our calendar; the calculation of the St Wilfrid's financial position. Last year was not one of the best financially and again we find ourselves still owing part of our Parish Share at the year end. This is not something new and we spend the first part of the year paying what is still owed from the previous year but the shortfall is getting worse. Whilst it is true that the 3 churches in the parish have the money between them, St Wilfrid's is 'light in the pot' and rumbling noises from elements in our fellow churches in Tunstall and Leck are another source of worry to me. Fortunately we are one parish, kind to our neighbours and recalling Jesus's parable of the workers (Matthew Chapter 20), we know that we can expect good treatment and support from all our colleagues in the other churches. Our priority has been ensuring that the word of God is heard in the community and fund raising has been a secondary concern but undoubtedly in future we will need to focus a bit more on meeting our financial obligations.

That said, today, in his sermon the vicar focused on another tract from Matthew's Gospel where the futility of worry is emphasised. Much refreshed by this I now know that I can follow a Christian path and not worry about smart meters, rats or indeed church funds ... but that doesn't mean that I can become complacent!

**TATHAM FELLS AND MELLING SCHOOLS  
OUR NEW EXECUTIVE HEAD TEACHER, MRS FIONA IP**

At the beginning of January we welcomed our new Executive Headteacher, Mrs Fiona Ip to two of our schools in the Benefice. Mrs Ip was the Headteacher of Abbeysted School for 11 years prior to her appointment and loved her time there in a small family environment where every individual matters. She is delighted she has found two similar schools to be part of and is settling in well. **Carole Butcher**

**THE FRIENDS OF ST JAMES THE LESS, TATHAM**

Members of the Friends of St James the Less Church were devastated by the loss of two of its most valued members; Liz Quine, who was both Treasurer and Trustee of our organisation, and Kate McDonald a member of our Events Committee. Both died in February within a few days of each other and both following lengthy illnesses. We offer our heartfelt commiserations to the families of both Liz and Kate.

The Friends held their first event of the calendar year on February 26<sup>th</sup> when some 40 members of the Levens Choir performed their programme of 'Music in Quiet Places' under the baton of musical director, Ian Jones. The wonderful acoustics of St. James the Less Church provided a perfect setting for virtuoso performances of some of the world's greatest choral pieces.

The Church was packed for the occasion and thanks are due to the many friends and neighbours who attended. We would also like to record our thanks to the hard working members of our Events Committee who, together with Veda Gardner, generously provided a magnificent afternoon tea and cakes once again. This ensured that everyone went home 'well fed'.

The sad loss of Kate and Liz led the Friends to postpone the AGM, originally scheduled for Monday 13<sup>th</sup> March. This will now be held in St. James the Less Church on Monday May 8<sup>th</sup> starting at 7.00pm. The AGM will be followed by a regular meeting of the Friends and there will be refreshments between the two meetings kindly provided by way of a Jacob's Join by our members. Everyone is welcome!

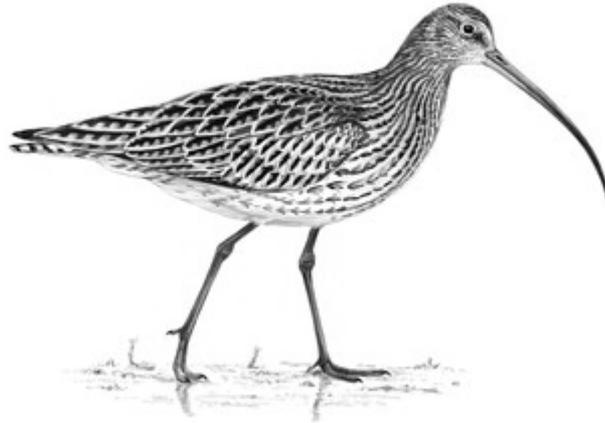

**Colin Burford**

**Children's Society**

We have now sent a total of £421 to the Children's Society from the Carol Service at Tatham Fells and the Christingle Services at Melling and Wray. The Society have now received £1,000,000 from such services countrywide this year, which will help their work with vulnerable youngsters to continue and develop. Many thanks to all who donated towards our contribution.

**Ann Dawson**

**FACTS ABOUT THE CURLEW FOR KIDS**  
**LATIN NAME - Numenius arquata**

The curlew is the largest European wading bird, instantly recognisable on winter estuaries or summer moors by its long, down-curved bill. Its plumage (feathers) are mainly grey brown with streaked and spotted underparts and a pale belly. It has long legs and evocative call - '*cur-lew*' and a bubbling song.

Curlews can be seen around the whole of the UK coastline with the largest concentrations found at Morecambe Bay, the Solway Firth, the Wash, and the Dee, Severn and Humber estuaries. The greatest breeding numbers are found in North Wales, the Pennines, the Southern Uplands and eastern Highlands of Scotland, and the Northern Isles.

Curlews eat worms, shellfish and shrimps.

**FOR YOUNG PEOPLE IN WRAY CHURCH**

Due to a combination of school holidays and the use of the church for Wray Fair, both Joyful Noise and After-School Club have had to be cancelled for April.

May dates will be:

Joyful Noise: Thursday May 4<sup>th</sup> at 2.00pm

After-School Club: Friday May 12<sup>th</sup> - after school until 4.45pm
